

# Field Day / Science Expo

Saturday, June 23<sup>rd</sup> and Sunday June 24<sup>th</sup>

The Garden School Field, 3316 79<sup>th</sup> Street, Jackson Heights - 718-886-5737

## ARRL FIELD DAY

Field Day is ham radio's open house. Every June, more than 40,000 hams throughout North America set up temporary transmitting stations in public places to demonstrate ham radio's science, skill and service to our communities and our nation. It combines public service, emergency preparedness, community outreach, and technical skills all in a single event. Field Day has been an annual event since 1933, and remains the most popular event in ham radio.

The **Hall of Science ARC** will be running 3 transceivers. People are welcomed to see their operations and if you like get a chance to make a contact with the help of our licensed operators.

### Operating Hours

Saturday, June 23<sup>rd</sup> – 2:00 PM to 7:00 PM

Sunday, June 24<sup>th</sup> – 10:00 AM to 2:00 PM

## GARDEN SCHOOL ARC SCIENCE EXPO

The **Garden School ARC** Science Expo will be part science fair, part county fair, and part something entirely new. The expo is an all-ages event for tech enthusiasts, crafters, educators, tinkerers, hobbyists, engineers, science clubs, authors, artists, students, and commercial exhibitors.

Some of the stations that the Garden School ARC will run are

- Learn to Solder to make LED Candles
- Demonstration of a 3D Printer
  - Free Build Legos
- Program a Lego Mindstorms Robot
  - Make Morse Code Bracelets
  - Build a Crystal Radio

If you are a science enthusiast and would like to run your own station please let us know. Send your proposal to [jhale@gardenschool.org](mailto:jhale@gardenschool.org) and we will review your request and get back to you as soon as possible.
